Mullin	68	20.75	111	172.7	20.75	34	121,840	7	706	1,218,399	7

Equivalent Altitude is altitude (in meters) multiplied by circumference (in centimeters). This is needed for Contest Manager to modify the Super-Roc Alt event to be used for the Super-Roc XL Alt provisional event.

Minimum 150 10
Maximum 300 22
